## CRISIS ATTENDING ONWARD MARCH OF BOLSHEVIKI IS LIKENED TO THAT OF 1914

Grave Concern For Peace of  
Europe Felt at  
Capitals.

### AID SOON FOR THE POLES

British War Department Preparing to  
Mobilize Two Divisions and French  
Will Cooperate; Red Embarkment  
Urged Government to Desist.

The steady march of the Russians  
upon Warsaw has created a situation  
which is causing grave anxiety in  
European capitals. Some expressions  
as to the extent of the march have  
been made as late as August 1, 1914.

The Allies are making representa-  
tions to Soviet Russia in aid of Po-  
land, the British note dispatched yester-  
day being now described in some  
quarters as the nature of an ultimatum.  
Although the situation is not con-  
sidered a threat of war, it is not con-  
sidered a threat of war, it is not con-  
sidered a threat of war.

The Russian emissaries now in Lon-  
don are reported to have recognized  
the gravity of the situation, and to be  
urging the government to halt the  
Russian march in Poland.

PARIS, Aug. 5.—Great Britain has  
taken steps to mobilize rapidly two di-  
visions for service in Poland, accord-  
ing to the British, which adds that  
plans for the transportation and re-  
equipping of this force have been pre-  
pared.

Reinforcements between France and  
Great Britain for the purpose of de-  
fending Poland are being pushed actively, other papers  
assert, and the Russian which has been  
liquidating war stocks has cancelled  
certain previous engagements.

LONDON, Aug. 5.—Among British  
officials and diplomats of other na-  
tions here, a widespread anxiety is felt  
over the Russo-Polish situation. One  
high official said:

"The situation is as grave as that in  
August, 1914."

LONDON, Aug. 5.—Leon Ramefeld,  
president of the Moscow soviet, is  
reported to have sent a message to his  
government asking that Russia ac-  
cept immediately the original British  
proposal for an armistice with Poland.

LONDON, Aug. 5.—The Polish ar-  
mistice and peace delegation left War-  
saw for Moscow today, according to  
advice received here.

WARSAW, Aug. 4 (7:20 P. M.).—  
Looming as an important city about 75  
miles north west of Warsaw, has been  
taken by the Russian Bolsheviks after  
being defended for many days by the  
Poles, according to announcement at  
the foreign office. Polish forces have  
evacuated Brest-Litovsk but hold the  
left bank of the River Bug, and far-  
ther south a Russian force has evacuated  
Kovno and is withdrawing to the line  
of the Bug river.

WARSAW, Aug. 5 (12:35 A. M.).—  
Russian Bolshevik forces have reached  
Ostrow, 53 miles northeast of War-  
saw.

WASHINGTON, Aug. 5.—Soviet ar-  
mistice have refused the request of  
the Polish government that news-  
paper correspondents be permitted to  
attend the armistice negotiations, ac-  
cording to a cablegram received here  
today by the Polish legation from  
Warsaw.

WARSAW, Aug. 5.—The municipal  
council of Warsaw has appointed a  
council of defense, it was announced  
today. A Warsaw home guard has  
been formed, taking its stand on the  
right bank of the Vistula, prepared to  
defend the bridges and banks.

NEWS TAIL WHERE  
YANKER AIRMEN FIGHT  
WARSAW, Aug. 5.—(1:30 A. M.).—  
Russian soviet armies driving against  
the Polish lines defending Warsaw  
are maintaining an average progress  
of six miles a day in the direction of  
this city. They were being held in the  
south, however, and in some places  
are being pushed back from the dis-  
tricts east of Lemberg. Today's official  
statement, issued at general staff  
headquarters, declares the Poles have  
driven the enemy back onto Russian  
soil in the region of Radkavitz.

American aviators fighting with the  
Kosciusko squadron are battling  
against General Budenny's cavalry  
and infantry along the Sereth river  
where soviet forces have not made  
any headway. Parts of this squadron  
were engaged all day yesterday near  
Nikolka where they met cosacks  
and Bolshevik infantry. The losses  
suffered by the enemy in this district  
were heavy, today's statement saying  
1,600 Bolsheviks were killed and  
large numbers wounded.

Ranks "Wild" on Streets.  
A man whose name is unknown was  
reported to the police as running wild  
on the streets on the West Side. It  
was thought for a time he was de-  
mented. Patrolman Turner arrested  
the man and brought him to the city  
hall where he was quieted down and show-  
ed signs of being mentally de-  
mented. He will be released.

## CHECKS FOR \$100 AND \$55.84 ARE ADDED TO SALVATION ARMY FUND

Former From Ministerial Association,  
Latter From Christian Workers'  
League; Closing Campaign Today.

Encouragement was given to the  
workers tonight when they met at the  
Salvation Army drive for \$10,000, when several  
checks were received in the mails to  
help boost the figures toward the goal.

One of the checks was from the  
Ministerial Association. It was for  
\$100, being the amount collected last  
Sunday evening at the union services.  
Another check for \$55.84, was re-  
ceived from the Men's Christian  
Workers' League. It represented the  
balance on hand from the fund used  
in support of the league which was  
organized at the conclusion of the  
"Bob" Jones revival. The check was  
signed by W. N. Leche, J. L. Kurtz  
and E. W. Horner, trustees of the  
fund.

Final reports will be given by the  
workers tonight when they meet at  
the closing dinner at the Elks club at  
6:30 o'clock. Workers were today  
making a final effort to complete the  
cassess of the entire district and by  
nightfall practically every house in  
the entire community will have been  
visited.

With the staging of a Tag Day next  
Saturday the drive will be brought to  
a close.

## MUST KEEP AFTER FLIES

Warner Weather Will Bring Fests  
Out in Larger Numbers.

Connellsville people are again re-  
minded to keep swatting the house  
fly. The state department of health  
is endeavoring to keep before the peo-  
ple the necessity of continuing the  
crusade against the fly which was in-  
augurated in the spring.

Due to the cool weather flies have  
not been so much in evidence this  
year as in the past. The case during  
July. Warmer days will bring them,  
however, it is pointed out, and the  
swatter must not yet be laid aside.

Connellough Smokeless Holdings Are  
Transferred to Penn Public Ser-  
vice Corporation, New York.

JOHNSTOWN, Aug. 5.—A million  
dollar coal deal, one of the largest  
consumed in the Johnstown district,  
has been closed whereby the Robin-  
dale coal plant, including the mining  
village of Robindale, a short distance  
below Seward, is transferred from the  
Connellough Smokeless Coal company to  
H. D. Walbridge & Company of  
New York for the Penn Public Ser-  
vice corporation, which is controlled  
by the purchasing company.

The purchase includes the entire  
holdings of the Connellough Smokeless

nearly two acres of houses. The coal  
is what is known to the coal trade as  
the "B" or "Miller" seam and is a  
very high grade of coal.

## LOCAL MEN BACK AVIATION CONCERN GIVING FLIGHTS

Captain Smith, Whose Plane Was  
Wrecked Recently, Arrives in  
City With New One.

True to his promise, Captain W. L.  
C. Smith, who was here several weeks  
ago carrying passengers on short  
flights near the city, and whose plane  
was damaged in a fall near Trotter,  
has brought a new machine to the  
city and will resume his activities at  
the aviation field at Trotter. The  
new machine is a Curtiss Oriole, 1920  
model, and far surpasses any plane  
previously seen in this country, it is  
said, in beauty, strength, durability  
and stability.

Announcement was made today of  
the formation of a new company back-  
ed by George G. Cochran, Jr., and C.  
A. Wagner for financing the aviation  
program. It was said to be proba-  
bly the company, the Comet Flyers, would  
be incorporated.

Extensive improvements are to be  
made at the flying field to accommo-  
date the crowds which are expected to  
be present. Space has been set aside  
for the parking of several hundred  
automobiles. Captain Smith expects  
to have his plane on the field Friday.

Aerial machine pictures will be taken  
by the aviator, showing at the  
Sisson and Paramount theatres.

## FREE SPEECH FIGHT

To Be Waged by A. F. of L. in the  
Steel Manufacturing District.

ATLANTIC CITY, Aug. 5.—Organ-  
ized labor has decided to make the  
right of free speech and assembly for  
union labor organizers in the steel  
manufacturing territories of Pennsylv-  
ania, Ohio and Indiana a political is-  
sue in every congressional district af-  
fected during the campaign this fall.

This movement will be in the nature  
of a preliminary to a campaign to extend  
union activities throughout the large  
steel centers of the country, it was  
announced at the close of a session  
of the executive council of the Ameri-  
can Federation of Labor here yester-  
day. Frank Morrison, secretary of the  
federation, declared there was no pos-  
sibility of a great steel strike coinci-  
dent with the movement.

Last in Seashore.

The last Baltimore & Ohio excursion  
to Atlantic City for the summer sea-  
son was out today. A special train,  
carrying many excursionists out of  
Pittsburg, followed regular train No.  
6 this morning.

## TREMENDOUS RUSH MARKS BARGAIN DAY

Nothing Like It Even Witnessed  
in City, Is Verdict  
of Merchants.

## WEATHER IS JUST RIGHT

Enjoying During Morning of Such  
Character That Cleanup By End of  
Day Seemed Not Impossible; Police  
Laid Hand in Guiding Shoppers.

With bright skies and a fairly cool  
 breeze the opening of the bargain day  
in Connellsville could not have  
been more favorable. The excellent  
 weather after several disagreeable  
 periods of cold and rain, tended to  
 send shoppers to the stores with zest  
 and spirit. Crowds thronged the  
 aisles of business establishments soon  
 after the doors opened and there was  
 no let up.

"I may be excited," remarked F. W.  
 Wright, "but I think this is the great-  
 est bargain day rush the city has ever  
 had. I never saw anything like it." His  
 remarks applied principally to his  
 own store, that of the Wright-Metzer  
 company, but there was no less of a  
 rush at the Kobacker store and others  
 dealing in the lines of goods women  
 seek.

Bargain hunters were ready to spend  
 their money and buying was heavy. A  
 woman on the streets today without  
 her share of bundles was an uncom-  
 mon sight. The merchants are highly  
 pleased with the success of the twelfth  
 annual event, and no less pleased  
 were the buyers.

Street cars were loaded with buy-  
 ers. The crowds came from all points  
 and most of them stayed on through  
 the noon hour. Afternoon cars were  
 loaded in both directions, shoppers  
 continuing to arrive until late.

"Specially," bargains were quickly  
 sold out. There were certain quanti-  
 ties of goods usually an article in  
 general demand and greatly reduced.  
 The early buyers did not leave many of  
 those for those who came later.

Bargains were what the buyers were  
 after and when they would find one  
 there was no hesitancy in making the  
 purchase. The merchants are offer-  
 ing some goods at big reductions this  
 year and it has revived all the spirit  
 of the bargain.

Mayor Duggan issued instructions to  
 the police this morning to use special  
 care in handling the traffic and to do  
 all they could in aiding strangers to  
 find their way about the city. The  
 mayor also suggested it might be well  
 to put a couple of extra men on dur-  
 ing the two days and the matter was  
 left to Chief of Police Bowers.

Tomorrow is expected to be a rep-  
 resentative of today. The same prices  
 will prevail.

In connection with bargain day the  
 Salvation Army tent near the post  
 office will be open all day tomorrow  
 for the convenience of the shoppers  
 who will be in town. "The tent is  
 cool and the folks may eat their lunch  
 there, and rest. The Army will be  
 glad to cooperate for this great day,"  
 says Adjutant John Campbell, the  
 officer in charge.

## INTERSTATE RATES

To Be Increased in Conjunction With  
Country-wide Advance.

HARRISBURG, Aug. 5.—Railroads  
operating in Pennsylvania have asked  
the Public Service Commission for  
permission to file interstate tariffs to  
correspond with the increased rates  
approved by the Interstate Commerce  
Commission. The application asks the  
rates be made effective on five day  
notice and cover all freight and pas-  
senger increases.

The application would permit the  
carriers to make the state increases  
applicable on August 25, in conjunc-  
tion with the advance throughout the  
country.

The commission will consider the  
petition at its meeting next Monday.

## WAGON MINE COAL OPERATORS MAY CARRY REFUSAL OF CARS BY CARRIERS TO PRESIDENT

Committee representing the wagon  
mine coal operators of Western Penn-  
sylvania, West Virginia and Ohio have  
been summoned to meet at the Wil-  
liam Penn hotel, Pittsburgh, Saturday  
afternoon to consider the proposed  
complaint to the Interstate Commerce  
Commission against railroad com-  
panies refusing to supply cars for the  
wagon mine products.

The Fayette County Team Trackers'  
association will be represented by  
President J. D. Madigan and W. E.  
Miller of Connellsville and Attorney L.  
B. Brownfield of Uniontown, the last  
named as counsel.

Pending the outcome of the com-  
plaint to the Interstate Commerce  
Commission it will be proposed, said  
a local operator, that an appeal be  
made to President Wilson in order  
that the team trackers may receive cars  
during the ensuing weeks, consid-  
ered by the operators the best of  
the year for truck and wagon trans-  
portation of fuel.

According to what a local coal  
broker pronounced a tip, the Pennsylv-  
ania Railroad company will shortly  
restore the wagon operators to the  
list of those to receive cars. The re-  
port could not be verified.

A peculiar phase of the situation as  
it affects shippers over the Baltimore  
& Ohio is that the company will place  
cars for wagon mine operators pro-  
vided they have private sidings but  
will set none off on public sidings.

The Pennsylvania for some time  
has been refusing cars for both pri-  
vate and public sidings. The Pitts-  
burgh & Lake Erie, it was said, had cut  
off the supply entirely but had again  
partially restored it. None are being  
supplied on the Monongahela railroad, it  
was said.

## MINERS SAVED FROM DEATH WHEN GAS ENGINE FUMES FILL WORKINGS NEAR BRIDGEPORT

Special to The Courier.

MOUNT PLEASANT, Aug. 5.—James  
Desert of West Smithfield street, Andy  
Ponzurak of Vine street and David  
Adam of Bridgeport miraculously  
escaped death when overcome by gas  
fumes yesterday while working in the  
James Santera mine near Bridgeport.  
A gas engine in the mine where they  
were working refused to function  
properly and after repairing the en-  
gine the exhaust pipe was not con-  
nected. The fumes overcame the men.  
As the fumes filled the mine, Adam  
was the first to notice the peculiar  
condition caused by them and started  
for the opening of the mine. As he  
staggered to the outside he was re-  
lieved by the fresh air. Looking back  
he saw Desert and Ponzurak start for  
the pit mouth, but fall before they  
reached it. Ponzurak fell with his face  
and Desert with the back of his head  
buried in the mud.

Adam rushed back and made a fran-  
tic effort to get the men out but found  
the weight of them too much and, go-  
ing out again, called for help. A man  
from a nearby mine answered his call  
but the two were unable to move the  
men. Cries for help brought other  
men, and soon all were out of the  
mine, Adam collapsing with the other  
two.

Dr. J. W. Sheldy was rushed from  
Mount Pleasant to the scene and the  
men were taken to their homes.  
Desert is suffering most. Last evening  
he was still unable to recall who was  
in the mine with him.

That they escaped death is due, it is  
believed, to the manner in which  
they fell and Adam's presence of mind  
in helping them out.

## ALLEGED KIDNAPER OF COUGHLIN CHILD BARTERS FOR LIBERTY

"Crank" Pascal Offers to Give Up Babe  
in Return for Immunity  
from Prosecution.

PHILADELPHIA, Aug. 5.—The  
"crank" disclosed as August Pascal of  
New Groton, N. J., refuses to reveal  
the whereabouts of little Blanche  
Coughlin unless he is granted immu-  
nity in the kidnapping. He is bartering  
now to exchange the child stolen from  
the parents' home at Norristown on  
June 2 for his freedom. He is said to  
have gone so far as to admit the 15-  
month-old babe is hidden at Atlantic  
City.

Important developments are expect-  
ed following the disclosure that the  
crank's name is August Pascal of  
French and Italian extraction, who  
recently lived in this city and since  
last week in New Groton, N. J.

An air of anticipation surrounds the  
home of George H. Coughlin, the mis-  
sionary child's father. A woman long sus-  
pected as having a part in the kid-  
napping looms up as a person of in-  
terest. An acquaintance of Pascal says he knows  
Pascal had a woman friend. The state  
police and postal agents are now on  
her track and believe she has the  
child. Pascal is still being grilled by  
the state police.

## CONSOLIDATION

Of Schools a Matter for School Author-  
ities to Determine.

HARRISBURG, Aug. 5.—The De-  
partment of Public Instruction will  
not attempt to force the consolidation  
of any schools. The law provides that  
where attendance at a school falls be-  
low 30 it must be consolidated," said  
Dr. Thomas H. Flanagan, superintend-  
ent of public instruction, in a state-  
ment today.

"As far as consolidation of any other  
schools is concerned it is a matter  
of local self government. If the school  
authorities wish to consolidate they  
can do so."

Burglars Robbed of \$10,000.  
NEW YORK, Aug. 5.—While 175

tered the establishment and, after  
holding up 500,000 worth of valuables  
checked by the sleepers.

building is completed with the excep-  
tion of laying the second floor.

cable ship, the Celtic, chartered to lay  
the South American cable from Miami  
to Barbados, in the British West  
Indies, will not enter American waters  
until permission is granted by the  
State Department in Washington, ac-  
cording to advice received here today  
from the British ambassador in Miami.  
United States destroyers have been  
patrolling waters in the vicinity of  
Miami to prevent the landing of the  
cable by the Western Union Telegraph  
company.

Mexican Officer Killed.  
SAN DIEGO, Cal., Aug. 5.—Captain  
L. L. Cepeda, commander of the  
Mexican federal armed yacht Tecate,

Ensenada yesterday when a party of  
Carrista soldiers fired a volley into his

## BODIES OF TWO SOLDIER DEAD ARE SENT TO HOMES

That of John M. Phillips Sent  
First to Arrive in  
Scottdale.

## WAS IN MANY BATTLES

Remains of William Rhoades, Who  
Died in Germany While With Army  
of Occupation, Is Received in Union-  
town; Both Victims of Disease.

The first body of a Scottsdale soldier  
to arrive from overseas is that of Ser-  
geant John M. Phillips, son of Mrs.  
Edith Phillips of Wilkesburg. The re-  
mains were brought to Scottdale this  
morning on the "Jersey City Special,"  
used only for carrying bodies of the  
soldier dead to their destinations.

Sergeant Phillips died at Coblenz,  
Germany, May 12, 1919, but no par-  
ticulars of his death have been re-  
ceived at Scottdale.

The body was removed by funeral  
director J. I. Murphy of Scottdale to  
the home of Reese C. Davis, 37 Sec-  
ond avenue, Scottsdale, a friend of the  
dead soldier. While no arrangements  
have been made for the funeral, the  
young soldier will be buried with full  
military honors.

Private Holchstein escorted the  
body to Scottdale.

Sergeant Phillips had been in the  
Marines for 12 years and was active-  
ly engaged in the World War until the  
armistice was signed. He was a mem-  
ber of the Fifth Regiment, Marines,  
and during June, 1918, he helped hold  
Bouaf-de-Belloua and Villiers. On July  
19 of the same year he was at Spitz-  
berg and was afterwards engaged in  
battle in the Tours sector. From Sep-  
tember 11, 1918 he was under fire at  
St. Mihiel, and on October 1 was

From November 11 he was in the  
Argonne fighting.

The body of William Rhoades, whose  
parents formerly lived at Coalingport  
but now reside at Wilkesburg, ar-  
rived in Uniontown this morning from  
Germany, where the young man died  
while serving as a member of Head-  
quarters Company of the Eighth In-  
fantry.

No notice of the expected arrival of  
the body had been received at the  
home of the father, Otto Rhoades, and  
consequently no arrangements had  
been made for the funeral. Veterans  
of Foreign Wars of Uniontown are

The body is the first of a soldier  
who died on foreign soil to arrive in  
Uniontown.

Rhoades was a private, enlisted af-

to the Army of Occupation. It is un-  
derstood he was a victim of influenza.

## IN FIGHT TO BITTER END TROTTER TEAM LOSES TO LEISENRING; SCORE IS 2-1

Visitors Take Early Lead and Ninth Inning Rally of Home Team Fails.

### MURDOCKS ON SATURDAY

Fighting bitterly until the last pitch, Trotter was defeated by Leisenring No. 1 in the third game of the series of five on the Trotter grounds yesterday afternoon. 2-1. The game was a pitchers' battle throughout, Leisenring allowing only four hits to the visitors and Trotter recording four times. A great crowd of fans witnessed the game.

There were no sensational features, but good solid, heady baseball was the product of both teams' efforts. Honnberger got the only extra base smash of the game, hitting a triple.

Leisenring took the lead in the second inning, working a runner over the base. In the eighth the visiting cokers bunched their swats and worked another over. Trotter rallied strongly in the ninth but died after getting a long rally.

WILKINSBURG TEAM WILL  
FIGHT UP STIFF GAME HERE

The Wilkesburg Murdockes will play the Connellsville Independents at Fayette Field Saturday. It will be the second time in the season the two teams have clashed here. Formerly the Cokers won in one of the best played games of the year by a score of 5-4. The Murdockes have since strengthened, but the Connellsville management has weeded out the ranks also. The prediction is that another game of sterling playing will be seen when the two outfits meet.

CHIRPS

It was some pitchers' battle, that Trotter-Leisenring mix-up.

A hard one to lose, Sammy.

Riber in left made a spectacular play when he picked up Pritchard's liner off his shoe tops.

Local fans want to know why Wall did not call a balk in the ninth. The maneuver was the same he penalized Herold for in the game here Saturday.

The next game will be at Leisenring. These contests are worth a dollar but only cost one-fourth that amount.

The Independents expect filled stands when the Murdockes play here Saturday.

BROWN MAKES GOOD  
SHOWING AGAINST  
SMOKY CITY STAR

Connellsville was represented in the tourney held Tuesday on the Pittsburg Athletic courts by that club by Joe Brown, the local tennis star.

Brown played a return game with "Billy" McElroy, the Pittsburg star, who defeated him on the Connellsville Tennis association courts here last Saturday.

The match was played for the best three out of a possible five games. Brown won the first set in a whitewash manner, defeating McElroy by the score of 6-2. McElroy then rallied and captured the next three sets by the score of 7-5, 6-3, 6-4.

Saturday "Johnny" will play Joe Sawyer of Uniontown on the Uniontown Club association courts.

INTERESTING STATEMENT

Tell us how two years of trouble have relieved when Nerv-Worth Overcame His Nervous and Stomach Trouble.

"For two years I had stomach trouble," said Nicholas Long of the Merchants Trust Company, Greensburg, Pa. "As a result of this stomach trouble, I was nervous and could not sleep well, and I was very weak and practically in a daze and out of action. I doctored and tried all the

remedies. I could find in an effort to get relief, but it was without avail until I purchased a bottle of Nerv-Worth. Then my stomach trouble disappeared. I got well and I began my food. I am enjoying this. I certainly recommend Nerv-Worth to others. You will find, as this is my own story, that Nerv-Worth does what it says. It does not only cure stomach trouble, but it also cures nervousness, and nervousness deprives both stomach and nervous system. A Great Remedy.

The merits of Chamberlain's Colic and Diarrhoea are well known and appreciated, but there is occasional by a man who had no acquaintance with them and should read the following: By E. H. Deat, a hotel man at Dupuyer, Mont. "Four years ago I used Chamberlain's Colic and Diarrhoea Remedy with such wonderful results that I have since recommended it to my friends." Adv.

NEED TOUCHING UP.

The season is getting late and the local tennis association has not as yet held a meeting to decide when it will hold the second annual tournament. Tournaments are being held all over the country at this time and if the locals want a representative number of outside contestants it would be well to let them know of the date as soon as possible. Otherwise they will have entered tournaments elsewhere.
